Assignment Instructions

Form a team of *exactly* four students. Submit a single file listing the full names and uni's of all four students. Only one member of each team should submit. Submit as soon as your team is formed, you do not need to wait for the deadline - which is Thursday September 19th at 5pm.

If by class time (10:10am) on Thursday September 19th you do not have a team of four, ask for help at the beginning of class and we may be able to rearrange teams during class time. Do NOT wait until the end of class, when everyone is leaving, to ask for help.
